I feel that I may have come here a little too early.

No, ma'am. You are welcome here at any time.

Ah, Lord Rokan. You are here as well

Hmph. I will see what kind of quality your store has.

Heh, you won't be disappointed, sir! See for yourself!

My daughter, Anna, will be your guide today

Hi! a Bit a avoir...

This way, please.

We have goods that you will never be able to afford, Lord Rokan. Hahaha!

Oh my, the color... It's brilliant. I wonder how they make such a color

Oh!

Latanen! Lady Latanen, is that you?!

Ohhhh, Lady Kiral

I didn't think I'd see you here!

Are you here to take a look at the new foreign goods?

Of course! This store stocks unusual things... oh my

Ah... Lord Rokan. You're here as well.

Long time to see, Madam

The talisman I made for you awhile ago my spiritual ring. Why don't I make you a new one

Eh...

Thank you, but unfortunately my father has recommended another sorcerer to me.

I'm sorry, but I'll have to pass

Anyway, Lady Latanen, have you seen this star?

Children clothes are here. Let's look!

I think this is going to look great on Lian!

Why don't you get some new clothes for the parade when the King visits?

.....?

Pardon?

Oh, didn't I let you? The King will be visiting here soon... And I'm going to introduce you two to the King

No! You never told me!!

Well, you know now. That's what matters!

Kaaji!

Mom as always like that!

Oh right, on the week's meeting we are going to decide the order to see the King.

I thought the meeting was to be held next month?

Oh! I'm sorry. We forgot to inform you

We haven't see you at the meeting for a while that we forgot

If you plan to attend, we'll reserve a seat for you.

That woman.

It's an important meeting, so I'm going to attend.

I deeply apologize.

I should have served you personally, but it's been so busy for me this morning.

It's quite alright. It's a big storm, you must have late to do

It's so big that I don't think I'll be able to see the entire selection today.

Yes. Sojan is amazing!

His selection is far better than a noble merchant's!

Noblas praising a commoner..

I can't attend this

Oh, right

For the upcoming meeting we are going to bring up the construction on your ville

W-what!?

He has been attending the noble's meeting?

Ah...

It's because his total wealth is more than all of us combined.

Indeed, without your financial support, it's hard to get things done

Besides, I'm not sure if I should say this.

But Sojan has grown and nurtured. He feels like one of us

Oh, I suppose what I just said is a little dangerous. Hahaha~

Hahaha~

Ah.

Ah...

My apologies...

How dare you... hit a noble?!

...

Lowly commoners..

think they rule the world when we go easy on them!

Father!!

Please stop. This is enough!

Sis.. are you ok?

We must teach them where they stand! Otherwise, they will attempt to overthrow us!

STOP

STOP

Name...

You're treated worse than a commoner. How shameful of you.

A man who has neither wealth nor powers

Poor Rokan
